

JAVA DEVELOPER Regular/Senior

We are looking for an experienced Java Developer (FrontEnd or FullStack) who will join one of our teams and help us **develop our products** by applying optimal architecture design and best software development practices. This is an offer for a Professional wishing to make a non-trivial contribution to a serious software product and willing **to cover with time wider area of responsibility** in our Unit.

Workplace: KRAKOW

Requirements:

- Proven record of **4-5 years of experience with large-scale software architecture**.
- Solid practice with Java web applications and web services.
- **Hands-on experience with technology stack including:**
 - GWT, Java EE, Java 6/8, Javascript,
 - jQuery, Spring MVC, XML, FreeMarker, XSLT, Html , CSS, Bootstrap,
 - Spring, Core, Spring Boot, Hibernate,
 - Web Services (REST),
 - MS SQL Server, H2, JDBC, Neo4j,
 - Maven, SVN, Eclipse, Jenkins, Sonar, FindBugs, JIRA, Kibana,
 - Test automation tools (e.g. Selenium, jMeter),
 - junit, TestNG, Mockito, PowerMock
- Experience at working with complex business requirements.
- Ability to work efficiently in a distributed, international team.
- **Very good English, both spoken and written.**
- Ability to work independently.
- **Team spirit:** We strongly believe that cool ideas are born by teamwork.

Responsibilities:

- Design and implement new features and change requests, involving the full technology stack, with main focus on user interface
- Assume responsibility for responsiveness and throughput of assigned applications, monitor their performance and technical debt, plan and implement improvements.
- Investigate and fix software issues.
- Work with complex business requirements.
- Maintain superb relations with colleagues inside and outside the team.
- Communicate efficiently with colleagues in Krakow and other CRIF units on daily basis.

Our offer:

- Stable employment in a fast-growing environment.
- Small teams and friendly atmosphere.
- Possibility to have personal influence on the technological landscape of the project.
- Extensive social package.
- Language classes on different levels in the office (English and German).
- Every day different fresh fruits in the office.
- Flexible hours.
- Possibility to work from home.
