

# PRODUCT DEVELOPMENT SPECIALIST

**Workplace: KRAKOW**

We are looking for an **ambitious and positive person with a strong will to grow as a Product Development Specialist in our Product Team!** The team is about 10 members. We are structured into 3 sub-teams: product data, product development and product management. We all work on-site, in our office in Krakow. We look for someone who can work both: independently, being focused on specific, individual tasks but also who is a team-player with good communication skills and habits.

The successful candidate will be **responsible for developing and supporting our products and bringing new functionalities to consumers in an engaging, functional way.** The role doesn't require a cooperation with a customer, however in some very rare cases it may happen.

## **Duties and responsibilities:**

- CRIF's products development and maintenance (all products offered by CRIF Poland)
- Products configuration and adaptation to customer needs
- Verifying products quality, efficiency and functionality
- Providing product documentation, formal change requests, estimation, planning and execution
- Technical product support

## **Key skills and qualifications we are looking for:**

- Higher education – Master's Degree (IT, Engineering or similar)
- **1,5-2 years** of object oriented programming experience
- Hands-on experience with **Java is a must (at least 1 year of solid experience)**
- Experience with **Groovy, XSLT, SOAP/REST, SQL will be an advantage**
- **Good Polish and English, both spoken and written**
- Team spirit: we strongly believe that cool ideas are born by teamwork!

**Our offer:**

- A stable job, with performance development plan in a fast growing environment
- Benefit package (private medical care, Multisport, meal/restaurants discounts etc.)
- Fresh different fruits in the office every day
- Language classes in the office (English & German) - individual or in a team
- Free car and bike parking
- Trainings package (soft-skills and tech-topics)
- Knowledge-exchange environment (Lunch & Learn Initiatives)
- Team-building and charity initiatives
